

BRIGHTSTAR ANNOUNCES EXTENDED GLOBAL DISTRIBUTION AGREEMENT WITH MOTOROLA

Companies Also Renew Contract to Serve Latin America

September 15, 2008 Miami – Brightstar Corp., a global leader in customized distribution and supply chain solutions for the wireless industry, today announces the extension of the global distribution agreement for handsets and accessories with Motorola, known around the world for innovation in communications.

The renewal of the agreement continues the relationship between the two companies, which began in 2001. Since then, Brightstar has served Motorola and operators around the world in the United States, Latin America, Australia, Europe and Asia. As a part of its strategic growth plan, Brightstar has expanded its infrastructure into many markets to support network operators with its comprehensive supply chain solutions and distribution services, including the sale and support of Motorola mobile devices and accessories.

Brightstar also announces the renewal of their agreement with Motorola specifically to serve the high growth region of Latin America, where Brightstar continues to serve as Motorola's distributor in markets throughout Latin America, Central America and the Caribbean.
